

The German Social Accident Insurance Institution for the woodworking and metalworking industries (Berufsgenossenschaft Holz und Metall) hereby certifies that

**Company**

**Ventilatorenfabrik Oelde GmbH  
Robert-Schuman-Ring 21  
59302 Oelde**

meets the formal requirements of systematic and effective occupational safety and health, in accordance with the results of a virtual level 1 assessment, on the basis of the

**“Systematic Safety“ seal of approval**

for the industry-specific implementation of

**NLF / ILO-OSH 2001**

**Guidelines on occupational safety and health management systems  
(International Labour Organization).**

The expert has come to the conclusion that the Occupational Health and Safety Management System also complies with the requirements of **DIN ISO 45001: 2018**

The assessment of the Compliance aspects will take place after the pandemic situation has subsided.

The virtual assessment on April 15, 2021 was carried out in accordance with the „DGUV procedural principles for the assessment of occupational safety and health management systems“.

This certificate will remain valid until April 15, 2022.
