

The German Social Accident Insurance Institution for the woodworking and metalworking industries (Berufsgenossenschaft Holz und Metall) hereby certifies that

**Ventilatorenfabrik Oelde GmbH
Robert-Schuman-Ring 21
59302 Oelde**

complies with the requirements for systematic and effective occupational safety and health for the

“Systematic Safety“ seal of approval

in accordance with the industry-specific implementation of

NLF / ILO-OSH 2001

The assessment also proved that the

OHSAS 18001:2007
guidelines are implemented

The assessment on 07 August 2015 was carried out on the basis of the
“DGUV-procedural principle for the assessment of occupational safety and health management systems“.

This certificate is valid until 31 July 2018
